

DuPont Nutrition & Health and DuPont Industrial BioSciences Quality and Food Safety Policy

DuPont Nutrition & Health and DuPont Industrial BioSciences are committed to providing innovative products and services that meet or exceed the expectations of our customers. Our ongoing commitment is to manufacture products safely and sustainably, and to meet applicable regulatory and statutory requirements globally through the implementation of our quality, food safety and product stewardship processes.

Key to this process is our commitment to our Core Values – *Safety and Health, Highest Ethical Behavior, Respect for People, and Environmental Stewardship*. Our commitment is demonstrated by communicating and verifying that the principles of our Quality and Food Safety policy are understood and consistently demonstrated by employees at all levels of the organization.

Our management is committed to continuous improvement and supports the quality, product safety and product stewardship management systems and programs in line with our objectives and targets.
